This has come to our notice that there is a certain malicious letter doing rounds in social media.

Apparently, this had been originally circulated via postal mail and it targeted personal attacks on Panditji, Volunteers and the Committee members.

We strongly condemn this type of personal attack and the abhorrent language used in that letter.

While Panditji, Committee members and volunteers are doing their best to present good services and facilities to devotees at the temple, we will not tolerate any intemperate language as written in this letter.

To reiterate - we condemn in the strongest possible words, such personal attack and the negative language used for Panditji, Volunteers and the Committee members"
