We thank you to all our volunteers for their contribution and hard work during the year. We also thank all our devotees and members who has visited temple regularly and have supported our temple.

Unauthorized Communication Alert: It has come to our attention that some of our valued members have received unauthorized correspondence from an unknown sender. We want to categorically state that these communications do not originate from Sri Mandir. We strongly condemn these malicious and offensive actions. Such behavior not only goes against the values and principles we uphold at Sri Mandir but also aims to cause harm and disharmony within our community. We use official letterheads and established communication platforms for any correspondence with our esteemed members and devotees. It deeply concerns us that a handful of individuals are attempting to tarnish the reputation of our temple through these unwarranted and inappropriate messages. We urge you to be vigilant and cautious of any such communications purportedly from Sri Mandir that do not adhere to our established communication standards. If you receive any suspicious communication purportedly from Sri Mandir that deviates from our standard

**Initiative Towards a Greener Future:** In our commitment to environmental stewardship, Sri Mandir has taken a significant stride towards sustainability. We're delighted to inform that we've ceased the use of disposable plates, contributing to a more eco-conscious approach within our temple premises.

Instead, we've embraced a more sustainable practice by implementing stainless steel plates for serving food. This transition not only reduces our environmental footprint but also embodies our dedication to fostering a greener and healthier planet.

Furthermore, we've installed an industrial dishwasher to efficiently clean and sanitize these reusable plates. Thank you for being a part of this important endeavor as we strive for a more environmentally conscious and mindful community.

**Development of Mobile APP:** We are developing an interactive APP to improve Sri Mandir's online presence. This APP will provide easy access to Sri Mandir information from mobile devices. We are hoping to launch this APP early next year.
